Dear John:

Enclosed please find draft text for a letter from EPA to DTSC requesting that DTSC send hard copies of 17 hazardous waste manifests to EPA. These manifests are attributed to 16 EPA generator identification numbers (volume totals greater than 40,000 pounds for each manifest) for which volume unit discrepancies are suspected.

Please call me at (415) 399-0140 if you have any questions or concerns.

Sincerely,
